

Pennington Fire Company

Santa Gift Drop-Off

Suggested Minimum Donation of \$25 per child

The gifts with this form are due by Sunday, December 10th.

Santa will be there to speak with families and children and give the gifts to the children. Unfortunately, he will not be able to enter homes this year; pictures and recordings are always welcome; however, Santa has a tight schedule to keep.

PLEASE READ: As in prior years, we ask you to drive to the rear of the firehouse, and inside the door under the overhang, there will be a box to put the gifts. Please print this form and place it with payment in an envelope with the gift. A firefighter will be there to collect the gifts from the box. You will be contacted via EMAIL with a day that Santa will be arriving! **Drop-off days will be the 12th, 13th, and 15th between 6 pm and 9 pm.** (Please check your email regularly for updates)

*End dates to drop off gifts at the firehouse will be firm. As always, we try to meet the increasing demand, and it is getting harder to accommodate last-second gift drop-offs, route changes, and extended drop-off dates. Therefore, we ask that all requests be in by the due date. It is greatly appreciated.

Questions can be emailed to Santa@penningtonfire.org
